Bill Lederman to Manage Elevator Division at Marr Crane & Rigging

South Boston, MA

The Marr Companies are pleased to announce that Bill Lederman, Manager of Marr Scaffolding Company's Hydro Mobile Mast Climber Division, has taken on the additional responsibility of sales and project management for the Elevator Division at Marr Crane & Rigging.

Bill has previous experience managing the sales and rentals of both mast climbing equipment and construction elevators. He began his career with Marr in 2006 and has a proven track record for excellent project management and customer service. All of us at Marr are highly confident he will do an outstanding job in this expanded role.

Please join us in congratulating Bill on his new responsibilities at Marr.
