CERTIFICATE OF COMPLIANCE

The Marr Scaffolding Angel Wing scaffold complies with these mandatory and consensus regulations, standards and codes:

1. U.S. Federal OSHA Construction Standards: 29 CFR 1926, Subpart L – Scaffolds;
2. U.S. Federal OSHA General Industry Standards: 29 CFR 1926, Subpart D – Walking-Working Surfaces;
3. U.S. Federal OSHA Maritime Standards: 29 CFR 1915 – Subpart E;
4. California CalOSHA Title 8, Section 1637 - Scaffold General Requirements;
5. American National Standards Institute, ANSI, A10.8-Scaffolding Safety Requirements;
6. The Scaffold & Access Industry Association, SAIA-Code of Safe Practices for Supported Scaffolds.

Since Marr Companies has no control over the installation and use of the Marr Scaffolding Angel Wing scaffold, it is the responsibility of the erectors to install the angel wing under the supervision of a *competent person*, qualified in angel wing scaffold erection, in compliance with all applicable standards, regulations and Marr Companies' recommendations; it is the responsibility of the *scaffold user* to use the angel wing in compliance with all applicable standards, regulations and Marr Companies' recommendations.

Respectfully Submitted,
